

## Field Trip Program Guidelines and Information

Thank you for choosing Zoo Atlanta for your field trip! We are excited to engage your learners in a day of fun, wildlife, and exciting experiences. **To make the most of your visit and to ensure the safety and best experience of your students, the animals, and other guests, please review the following.**

### Chaperone Guidelines

- Chaperones must always stay with students. Students may not tour Zoo grounds unsupervised.
- Please maintain a ratio of one adult per 10 students in all indoor locations, including but not limited to Scaly Slimy Spectacular, Zoo Gift Shops, and any food locations.
- Upon entering the retail stores, chaperones must stay with the group they are responsible for at all times. Chaperone to student ratio should be no more than 10 to 1. School groups are limited to 40 people in the main store and 20 people in the Panda Pagoda. Any unruly behavior or actions that are disruptive to other guests will result in the group being asked to leave the gift store.
- Actively chaperone your students by enforcing rules, maintaining correct headcount, and staying together. Reach out to your school/group lead if you need assistance.
- During your visit, encourage students to ask questions, observe animals, and explore signage and daily activities to learn something new.
- Check with your group leader to verify lunch/snack time and location, as well as meetup location and time of departure.
